Humane,

We have prepared another CD and you should receive it tomorrow morning. If you have any problems opening it, please let me know. I left a message for Doug and look forward to speaking him about the scope of Nos. 4 and 5 of the letter.

Best,  
Amy

Amy,

Per my voicemail, the following file on the CD you sent to me cannot be opened by us:

**"CABOT-EPA 007946 URS May 26 2011 Focused Site Assessment Ana.pdf"**

If you would send another file as soon as possible, we would appreciate it. As you can see, I am copying my colleague, Doug Frankenthaler, whom I recommended that you call this afternoon in regard to the scope of EPA's Question #4.

Thank you.  
-Humane
